GENERAL COURSE OUTLINE

The taught element of this course is made up of 8 modules. There are 6 core modules, after which the learner will be able to take a specialisation (7th module) within the same field of study. The 8th module, a Long Essay of 10,000 is completed after successful completion of the first 7 modules

Full time study: completed over 2 academic years or 78 weeks

Study Units 1 to 6 together make 40 ECTS credits.

Study Unit 7 which constitutes the specialisation area carries 20 ECTS.

These shall be done in First Year (2 sessions of 3 hours each weekly, for a total of 6 contact hours per week FOR 50 WEEKS) and therefore 60 ECTS in First Year.

Study Unit 8 consists of the Dissertation and carries 30ECTS. This shall be completed in Second Year (28 WEEKS).

Altogether, the 8 Study Units carry a number of 90 ECTS
